

2024-2025 CCFCCA MEMBERSHIP APPLICATION

The Clark County Family Child Care Association is a Chapter of the Washington State Family Child Care Association. CCFCCA has been a non-profit professional support organization for over 40 years and has encouraged and fostered networking for family child care professionals by providing monthly meetings, special events and STAR trainings that align with DCYF and WAC requirements.

We invite all family child care providers and their staff, child care center staff and all those involved with the care and education of young children to attend. You do not have to be a CCFCCA member to join us at our monthly meetings and are welcome to attend our STAR training at the cost of \$10.00 per STAR hour. CCFCCA members receive their STAR trainings at no charge. Please see our Trainings/ Meetings page on this website for a list of trainings and meetings.
